This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.

+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.

+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.

+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at `http://books.google.com/`

anon. Anonymous.
b. l. Black letter.
col. Colored.
ed. Edition.
eng. Engraved.
facs. Facsimile.
fol. Folio. 4°. Quarto. 8°. Octavo. 12°. Duodecimo, etc.
incl. Including.
l. Leaves.
n. d. No date.
n. p. No place of publication.
numb. Numbered.
obl. Oblong.
p. Page.
phot. Photograph.
pl. Plates.
p. l. Preliminary leaves.
pp. Pages.
pseudon. Pseudonymous.
sm. Small.
sq. Square.
t. Tome.
tab. Tables.
unp. Unpaged.
v. Volume or volumes.

The books are described as folio, quarto, octavo, duodecimo, etc., according to the apparent size of the volume, and not according to the printer's designations derived from the fold of the sheets.

In the alphabetical arrangement, the prefix *Mc*, *M'*, or *Mac*, is treated uniformly as a component part of the word, as if spelled *Mac*. Thus, *McLeod* or *M'Leod* precedes *Maclure*. In like manner, the prefixes *New*, *La*, *Du*, etc., are treated as component parts of the words to which they belong. Thus *New England* follows *Newell* instead of preceding it, as it would do if the prefix *New* were treated as a separate word.

It is one of the aims of the present catalogue to furnish with the titles a sufficiently full collation of each work. Thus it is made a part of the description to give the number of pages, in the case of all works not exceeding two volumes, together with the number of maps and plates, if any, and the name of the publisher. The information thus conveyed will, it is believed, be found of practical value to readers, as conveying at a glance some idea of the extent of each work, while the addition of publishers' names is useful as supplying a guide to the identification of editions. In the case of books printed without date, the actual or approximate date is usually supplied in brackets.

Brackets in any part of a title indicate that the words included in them are not found in the title, but are inserted.

The titles of most modern books are given with approximate fullness, but it is to be understood that long titles are uniformly abridged, the more significant words of the title only being inserted.

The letter s, affixed to any title, denotes that the work belongs to the library of the Smithsonian Institution, now deposited in the Library of Congress.

times of Diocletian. 239 pp. 4 pl. 16°. *Philadelphia, Presbyterian board of publication,* [1871].

Blackburne (*Rev.* Francis). The works, theological and miscellaneous, including some pieces, not before printed; with some account of the life and writings of the author, by himself, completed by his son Francis Blackburne. 7 v. 8°. *Cambridge,* [*Eng.*] *B. Flower for the editor,* 1804.

CONTENTS.

v. 1. Some account of the author. cxxvi pp.
The use and advantage of the christian principle in the administration of human laws: a sermon. p. 1.
A serious enquiry into the use and importance of external religion. p. 91.
A sermon preached to a large congregation in the country, on Friday, Jan. 5, 1753, Old Christmas-day. p. 173.
A story of two Jews and the catacombs. Said to be translated from the french. p. 203.
A candid address to the Jews, occasioned by the repeal of a late act of parliament in their favour. With a postscript to the christian reader. p. 237.
A reply to dr. Tucker's strictures, on the preceding postscript. p. 283.
A letter to a friend, containing some remarks on dr. Sharpe's visitation charges. p. 327.
Notes, upon a paper intituled, "Some rules of caution for the more successful examination into the doctrine of the trinity."—By dr. Sharpe. p. 349.

v. 2. A critical commentary on archbishop Secker's letter to Horatio Walpole, concerning bishops in America. p. 3.
A letter written by a country clergyman to archbishop Herring. p. 101.
An apology for the authors of a book, intitled, Free and candid disquisitions relating to the church of England, &c. p. 135.
No proof in the scriptures of an intermediate state of happiness or misery between death and the resurrection. [Also], remarks on a letter in the gentleman's magazine for April, 1756, and on a paragraph in a sermon of archbishop Tillotson's. With a postscript, in answer to some remarks upon a late treatise relating to the intermediate state, &c. p. 179.
Remarks on dr. Warburton's account of the sentiments of the early Jews concerning the soul. p. 261.
A review of some passages in the last edition of The divine legation of Moses demonstrated. [Also], a defence of the above-mentioned remarks against the objections of Caleb Fleming. And a second postscript occasioned by the said mr. Fleming's late advertisement, &c. p. 339.

v. 3. An historical view of the controversy concerning an intermediate state and the separate existence of the soul between death and the general resurrection, deduced from the beginning of the protestant reformation to the present times. With some thoughts, in a prefatory discourse, on the use and importance of theological controversy. 2d ed.

v. 4. Considerations on the present state of the controversy between the protestants and papists of Great Britain and Ireland, particularly on the question how far the latter are entitled to toleration; being the substance of two discourses delivered in 1765–6. p. 1.
Four discourses, 1767–73: p. 261.
1. On the duty of a christian minister under the obligation of conforming to a national religion established by the civil powers.
2. On the questions, What is christianity; and, Where is it to be learned?

Blackburne (*Rev.* Francis)—continued.
3. On the true meaning of the phrase, the interests of religion.
4. On the original principles of the first protestants.
A discourse on the study of the scriptures. Delivered in the year 1763. p. 405.

v. 5. The confessional: or, a full and free inquiry into the right, utility, edification, and success, of establishing systematical confessions of faith and doctrine in protestant churches. 3d ed.

v. 6. Remarks on the rev. dr. Powell's sermon in defence of subscriptions, preached before the university of Cambridge on the commencement sunday, 1757. p. 1.
Occasional remarks upon some late strictures on the confessional. p. 109.
The same. Part 2. Containing chiefly remarks on the first of three letters to the author of that work: and an examination of dr. Maclaine's defence of archbishop Wake. p. 163.

v. 7. Proposals for an application to parliament for relief in the matter of subscription to the liturgy and thirty-nine articles of the established church of England. p. 1.
Copy of the petition of the clergy, &c. relative to subscription to the thirty-nine articles, offered on the 6th of February, 1772, to the house of commons. p. 13.
A sketch of contradictions and inconsistencies in the obligations laid upon clergymen, in order to qualify themselves for ministering in the church of England. p. 21.
Reflections on the fate of a petition for relief in the matter of subscription, offered to the house of commons, Feby. 6th, 1772. With observations on the rev. dean Tucker's Apology for the present church of England, as by law established. p. 33.
Bishop Taylor's judgment on articles and forms of confession in particular churches. p. 271.
Bishop Taylor's judgment on subscription, &c. p. 323.
Index to the seven volumes. p. 351.
Table of texts of scripture referred to. p. 395.

Blacklock (Thomas, *d. d.*) Paraclesis; or, consolations deduced from natural and revealed religion: in two dissertations. The first supposed to have been composed by Cicero: the last originally written by T. Blacklock. 4 p. l. xxi, 357 pp. 8°. *Edinburgh, J. Dickson,* 1767.

[*Note.*—The Consolatio Ciceronis is a notorious forgery, ascribed usually to Carlo Sigonio].

Blackwall (Antony). An introduction to the classics: containing a short discourse on their excellencies; and directions how to study them to advantage. With an essay on the use of [rhetorical figures]. 6th ed. 4 p. l. 272 pp. 2 l. 16°. *London, J. & J. Rivington,* 1746.

——— The sacred classics defended and illustrated: or, an essay humbly offer'd towards proving the purity, propriety, and true eloquence of the writers of the new testament. 2d ed. 2 v. 432 pp. 8 l. 1 portrait; xxxi, 360 pp. 11 l. 8°. *London, C. Rivington,* 1827–31.

[*Note.*—In answer particularly to Francis Bugg].

——— *and* **Whitehead** (George). The christian-quaker, and his divine testimony vindicated by scripture, reason, and authorities; against the injurious attempts, that have been lately made by several adversaries, with manifest design to render him odiously inconsistent with christianity and civil society. In two parts. 17 p. l. 162 pp. 1 l; 377 pp. fol. [*London*]? 1674.

CONTENTS.

Part I. By William Penn. The universality and sufficiency of Christ's light within, through all ages to eternal salvation.
——— An appendix; being a discourse of the general rule of faith and life, and judge of controversie.
Part ii. By George Whitehead. Christ's light within asserted, as it is divine, and vindicated from Tho. Hicks's dark exceptions.
——— Lux eorta est: or the light sprung up in the despised quaker. In answer to Henry Griggs.
——— The angry anabaptist proved babilonish, in answer to Henry Grigg.
——— The contents of a bill of excommunication, exhibited by the baptists at Chichester; with a brief answer.
——— Some confessions concerning the baptized churches, by Thomes Colliar, [and others].
——— The presbyter's antidote tryed, or Stephen Scandret proved a physician of no value.
——— The answer to Tho. Hicks, and his brethren, about the resurrection.
Thomas Vincent's illustrations about the resurrection.
Something for the spirituality of the resurrection out of H. Moor's search into the nature of a glorified body.
